Continuation of 2. NOTE: Applicant's argument that the reference of Yates et al fail to disclose or suggest that its data base may be ommitted and that the instant claimed invention has now been modified to eliminate the use of a data base will not be considered because the added language "consisting essentially of" has changed the scope of the claims and will require new consideration and/or search. Therefore, the final rejection is maintained. Note: Claims 11 and 18 is currently withdrawn to non-elected subject matter due to restriction in office action 1. Claim 11 was inadvertenly included in a 112 rejection in office action 2, but will not be under consideration for examination. Examiner apologizes for any inconvenience.
